What is a City Group?

City Groups are missional communities. By definition, a **Missional Community** is a midsized family that is being transformed by the Gospel, growing as a spiritual family, and living on mission with God in a specific neighborhood or network of people in South Florida.

Vision of City Groups

To multiply disciples of Jesus in the context of Gospel-centered *family* and *mission*.
(Matthew 28:18-20).

- **Family** - As City Group members gather together to eat, pray, worship, read Scripture, encourage one another, and serve others, they will grow as disciples of Jesus and discover the joy of taking part in a shared mission (Acts 2:42-47).
- **Mission** - As City Groups are intentional about serving neighborhoods and/or networks, the people in our city will witness a community that lives out the Gospel in tangible ways (Matthew 5:14-16)

Who can belong to a City Group?

City Groups are the lifeblood of Radiant City Church. City Groups are communities that people can belong to before they believe. This means that City Groups are a reflection of our entire church and are comprised of mature Christians, new Christians and non-Christians. Simply put, we want everyone to be in a City Group because that is where both family and mission take place.

Core Values & Mission of a City Group

The **Core Values** help are the vehicles that we drive in to accomplish our **Mission** at Radiant City. Our mission is to multiply disciples and churches. And we will accomplish this mission as we live together as a ***diverse family***, as we ***authentically worship*** God in a ***Gospel-centered way***. And as we remain ***prayerfully dependent*** in Him.

These Core Values drive various Rhythms that allow the Spirit of God to transform members' lives and create a Gospel-centered family on mission.

AUTHENTIC WORSHIP & PRAYERFUL DEPENDENCE

In a City Group, people will pursue God and grow in their love for Jesus. This may sound simple, but in our fallen world people seek to become their own gods. We often seek to live apart from God, preferring our independence over a relationship with our Creator. But through the Gospel, Jesus transforms our hearts and moves us to a place where we recognize God as King, Father, and Savior! It becomes our joy to know, serve, and worship Him. (Ephesians 2:1-3; 2 Cor 5:17)

Rhythms that include Worship & Prayer

- REAP - Reading and applying the Bible (see page 11) (2 Timothy 3:16-17, Joshua 1:8).
- Making regular time to reflect, pray, and praise God for His work. (Psalm 95:1-2)
- Engaging in DNA Groups (see page 13) (2 Timothy 2:2, Hebrews 10:24-25)
- Worshipping God in creative ways (songs, communion, etc.) (Psalm 105:1-2)
- Confessing and repenting of sin, and reminding each other of the good news of Jesus Christ! (James 5:16)

DIVERSE FAMILY

In a City Group, we desire to see people of every age, ethnicity, and socio-economic status learn to love one another. This means sharing each other's burdens, praying for each other, and forgiving each other as Christ forgave us. New people are not left out, but drawn in as they experience the family of God living in light of the Gospel. (Acts 2:42-47, 1 Thessalonians 5:11)

Rhythms that highlight Diverse Family

- Practice hospitality and care for one another in practical ways (prayer, meals, service) (Mark 12:30-31, 1 Thessalonians 2:8)
- Encourage each other and build fellowship by sharing testimonies (see page 10) (Psalm 22:22, 1 John 1:1-3).
- Engaging in DNA Groups (see page 13) (2 Timothy 2:2, Hebrews 10:24-25)
- Praying, praising, and worshipping God together (Psalm 95:1-2, 105:1-2)
- Practice 3rd Place (see page 15) (Mark 2:13-17).

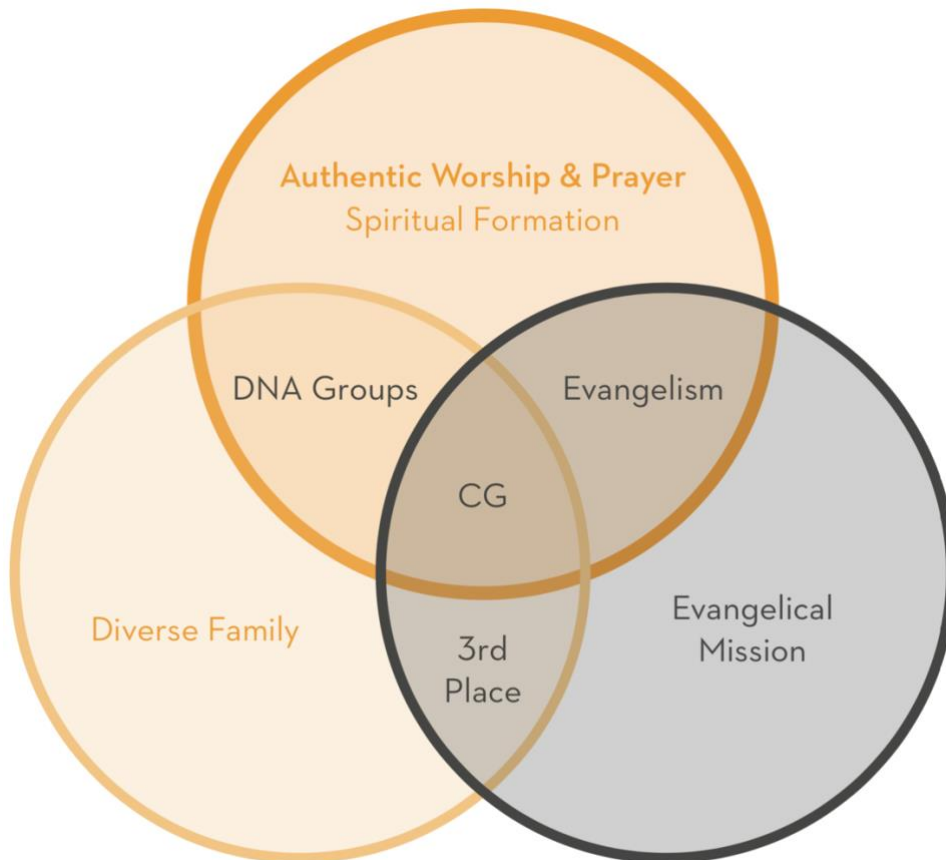

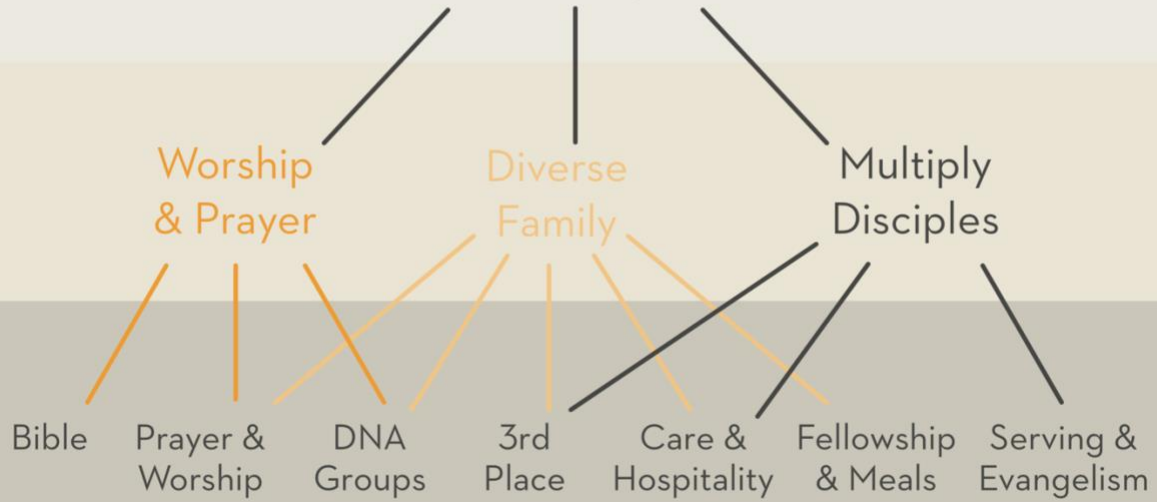

MISSION

A City Group has a defined and shared mission. In other words, we are a family on God's mission together. Our shared mission is made up of a neighborhood or a network of people. For example: neighbors who live on your block or in your school district, young families with kids, single parents, coaches, college students, or recovering addicts. This mission is a blessing to be a part of, as we get to take part in God's redemptive work in people's lives. (Matthew 28:18-20; 2 Corinthians 5:20)

Rhythms that highlight Mission

- Practice 3rd Place (see page 15) (Mark 2:13-17)
- Invite people to your City Group. Allowing the Gospel to be seen and heard in community is powerful and can help people see the joy of worshipping Jesus (John 13:35)
- Care for your neighbors in practical ways. Plan and organize service projects or events that meet a need in your community. (i.e. Organize a truck-or-treat, meal train for a family, or playground pick up) (Mark 12:30-31, 1 Thessalonians 2:8)
- Meet new people by participating in existing community events that have been organized by neighborhood groups, non-profits, or businesses (i.e. Jazz on the Green). Jesus regularly attended community events (i.e. John 10:22-30)

To push back darkness in South Florida and beyond with the light of Jesus.

LEADERSHIP TEAMS

City Groups are the primary context in which we hope to make disciples, build those individuals into maturing leaders, and experience Gospel-centered community. Because of the different giftings needed to maximize the impact of a City Group, we believe in shared leadership.

But as it is, God arranged the members in the body, each one of them, as he chose. If all were a single member, where would the body be? As it is, there are many parts, yet one body.

(1 Corinthians 12:18-20)

HOW TO SHARE YOUR TESTIMONY

Each of us have a story to tell how Jesus came into our lives, saved us from our sin, and called us to Himself. Sharing God's story through our story is important because it helps us move from strangers to family. All of our stories are different, but there is one enemy; Satan and the effects of sin, and one hero; JESUS. When we hear other testimonies, we see just how much we have in common in the saving work of Jesus Christ!

Use the 3 sections and questions below to help you write out your story.

1. Before I Accepted Christ (or surrendered to Him as both Lord and Savior)

- What was my life like that will relate most to the non-Christian?
- What did my life revolve around the most? Where did I find my security and happiness? (The non-Christian is relying on something external to give him happiness)
- How did those areas begin to let me down?

2. How I Received Christ (or surrendered to Him as both Lord and Savior)

- When was the first time I heard the gospel?
- What were my initial reactions?
- When did my attitude begin to turn around? Why?
- What were the final struggles that went through my mind just before I accepted Christ?
- Why did I go ahead and accept Christ?

3. After I Accepted Christ (or surrendered to Him as both Lord and Savior)

- Specific changes and examples of the changes Christ has made.
- Why am I motivated differently?

Helpful Hints

- Write the way you speak; make the testimony yours.
- Practice this over and over until it becomes natural.
- Keep it short – 2-3 minutes. At that length, it's easily something you can put into a conversation without it becoming a monologue.

HOW TO REAP

When you have your daily time with God use the REAP method to help you think through what you're reading.

Read

Find the passages for today's reading in the Bible Reading Plan. Read the passages with an open heart, asking the Holy Spirit to give you words of encouragement, direction, and correction (2 Timothy 3:16). Underline the verses that seem important and that God is using to speak to you.

EXAMINE

Spend some time reflecting and writing about what you've read. Write down one or two of the key verses that stuck out to you. Ask yourself these questions and write down your thoughts:

- What is going on in the passage?
- Who is writing and who is he writing to?
- When was the author writing?
- What are the circumstances that the author is addressing?
- Does the writer mention anything that might indicate his purpose or intent?
- How do you think the author

APPLY

After examining the passage, apply the text to your own life. Ask yourself these questions:

- What is God's word for me from this passage?
- how will I live differently and be different today because of what I just read?
- What are the things in my life that need to change in light of this truth?

PRAY

Pray through the passage and your application, asking God to change your heart and to change your life, based on the time you've spent in God's Word

EXAMPLE OF REAP

READ: John 15:1-11

"I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing" (John 15:5). Jesus and His disciples are celebrating a final Passover Feast before Jesus is arrested and crucified. Jesus is teaching about abiding in Him and bearing fruit.

EXPLANATION: We don't naturally abide in Jesus so He commands us to abide. Following this command is not burdensome, but actually for our benefit. Jesus is the true vine and if we abide in Him we will bear fruit. The fruit we bear is glorifying to God. Jesus says that He taught all of this so that His joy would be in us. The joy Jesus gives is full, complete, and better than any other joy.

APPLY: How am I abiding in Jesus? In this passage "abide" is such an intimate word; to always remain in Jesus. What are ways I can remain in Jesus? Jesus says I will abide in Him if I keep His commandments, but am I actually doing that? Abiding in Jesus allows me to experience the fullness of joy that Jesus has for me. I can continue to abide in Him through developing a deeper prayer life, and reading the Bible to actually connect with Jesus instead of doing it just to look smart in front of my friends.

PRAY: Jesus, thank You for saving me! Please always remind me of how amazing Your Gospel is. I confess that most of the time I would rather do my own thing than abide in You. I try to look good for others and that only steals more of my joy in You. Teach me more about what it means to abide in You and I pray that abiding in You would result in great fruit for Your glory!

HOW TO USE REAP IN DNA GROUPS

Each member of your DNA Group will REAP throughout the week. Then have members share one or two things they heard from God. Ask and share with each other how you are going to obey what God spoke to you. Have members confess sin that may have surfaced and talk about what repentance would look like then pray as a group.

DNA GROUPS

WHAT ARE THEY?

DNA GROUPS are an extension of Sunday morning gatherings and City Groups. They are a place where 3-5 people of the same gender gather on their own time to pursue Jesus together!

WHY ARE THEY IMPORTANT?

A DNA GROUP is a place to be known by others in such a way that you can be completely honest with your joys and struggles, confess sin, speak the truth of the Gospel to one another, and point each other to Christ!

You will do four things every week:

HEAR & OBEY

Each person shares what they have been reading (REAPing) in the Bible and what they have been hearing from God. Then share how you can obey God from what you learned from the Bible. (2 Timothy 3:16-17)

ENCOURAGE & CELEBRATE

Take turns calling out greatness in each other. This is a great way to celebrate how you've seen God work in each other's lives and encourage each other how everyone is growing in Christ. (Hebrews 3:13)

REPENT & BELIEVE

We all sin and we all need to repent of that sin. Each person shares how you have sinned against God this past week (the accountability questions below can help with this) and then repent (turn) from your sin. But then spend time speaking out loud the good news of Jesus' work for us! Hearing the Gospel spoken aloud to each other enables us to believe. (James 5:16)

PRAY

Share with each other your joys and struggles. Also talk about how your conversations are going with your non-believing friends. Plan how you can share Jesus with them and weave them into your community or City Group. Then pray for them by name for God to save them. (1 Timothy 2:4)

ACCOUNTABILITY QUESTIONS FOR DNA GROUPS

Not every question has to be asked, but be as thorough as necessary. A DNA GROUP is a safe, honest, vulnerable, and confidential space.

- How has your anger or fear or anxiety or addiction shown up this week? How does that reveal what you're trusting in besides God? What truth or promise of the Gospel do you need to hear and believe to trust in God again?
- In light of God's love toward you, do you need to reconcile with somebody? Are you subconsciously holding a grudge?
- How has the Holy Spirit been growing you this week? Did you respond in faith or grumbling?
- How have you felt yourself resisting to obey God this week: in your mission to the lost? In your sacrificial love for community?
- How have you battled sexual or intimacy temptation and how are you preparing to deal with it next week?
- Is there anything (school, work, technology, etc.) isolating you from important relationship?
- (your own personalized question)

THIRD PLACE

A Third Place is **neutral** ground that is informal and non-committal. It **naturally** fits into the rhythms of your lost friends lives, and we do it **regularly**.

So where do we gather for a Third Place? It depends on the people you're trying to reach. Ask the question, "where do people already spend time and naturally go? How can we gather there?"

For those of you who work downtown, this may be an after work happy hour. Downtown professionals naturally gather there after their workday. For families with younger kids, this might be a park where other families and kids play throughout the day.

A third place creates space where someone can **belong to before they believe**. We want to do it regularly, and invite those who don't know Jesus to participate often.
